Request for documents form

Making a valid request

Under section 17 of the *Freedom of Information Act 1982 (Vic) (the Act)*, a request must meet three requirements to be valid:

1. your request must be in writing;
2. you must provide sufficient information about the documents you are requesting to enable us to identify and locate relevant documents; and
3. you must pay the application fee, or if payment of the application fee would cause you hardship you can request to waive the fee in full or in part.

After you submit a request

After you submit a request, we will assess it to ensure it meets the requirements outlined in section 17 of the FOI Act. If we determine that your request is not valid, we will notify you within 21 days from the date we received your request and provide you with assistance to help you make the request valid. If your request is valid, we will begin processing it.

Timeframes

Swinburne University of Technology (SUT) has 30 days from the date you make a valid request to provide you with a decision. However, this time may be extended by up to 15 days if we need to consult with third parties whose information may be contained in the requested document(s). We may also extend this time by up to 30 days with your agreement. We will let you know if the timeframe changes.

Other charges

The agency may require you to pay certain charges before access is provided to the requested document(s). For example, the agency may charge for providing copies of the document(s) or supervising an inspection of the document(s). If these charges exceed \$50.00, the agency will notify you and request that you pay a deposit before proceeding with your request.

How your personal information may be handled

By submitting this form, you are providing your personal information. Your personal information will be used for the purpose of processing your request. We may be required to consult with third parties in considering whether an exemption under the *FOI Act* applies. This may involve disclosing details such as your name, the terms of your request, and the documents falling within the scope of your request that concern the relevant third parties.

If necessary, your request may be transferred under the *FOI Act* to another agency who is better placed to handle your request. You will be notified if this is the case with your application.

If you have any concerns about how your personal information will be handled please request to speak with the Freedom of Information Officer.

1. The documents you are requesting access to

Please identify, describe or outline the document(s) you are seeking access to.

Your request must provide sufficient information for us to be able to identify and locate all relevant document(s). When writing your request, be specific about which document(s) you are seeking and include as much information as possible. Think about:

- what the document(s) relate to (for example, a complaint you made, or a particular project);
- the date range in which the document(s) may have been created;
- where the document(s) might be located (for example, in a particular email account, with a specific person, or held by a business or work unit); and
- the type of document(s) you seek (for example, an email, report, CCTV footage).

Please avoid using wording such as 'all documents' because your request may result in it being too large for us to process, or it may not be specific enough for us to identify the document(s). If you are not sure how to frame your request, please contact us.

2. Additional information to assist us

Optional: please provide background or contextual information to assist us in processing your request. This could include your reasons for seeking access to the document(s) and what you intend to do with the document(s). Providing additional information may assist us to identify and locate document(s) relevant to your request. It may also assist us to identify other ways you may access the requested document(s) outside of the FOI Act.

3. Excluding documents or information you don't need

It may be helpful to exclude certain documents or information from your request if it isn't particularly necessary or relevant. This may allow us to process your request more quickly by potentially reducing the number of documents to assess or removing the requirement for us to consult with third parties. Do you require access to:

- draft documents Yes / No
- duplicate documents: Yes / No
- commercial information relating to third parties: Yes / No
- personal information relating to third parties: Yes / No

4. Proof of identification

If the documents you are seeking access to relate to you personally, you may need to provide the agency with a certified copy of your identification. The agency may not be able to provide access to the requested document(s) if it cannot verify that you are the person the subject of the document(s).

5. Edited copies

The document(s) you seek may contain exempt or irrelevant information. Under the *FOI Act*, Swinburne University of Technology can provide edited copies of document(s) with exempt or irrelevant information removed. However, we are only required to do this if you indicate you will accept an edited copy of the document(s), and if it is practicable for us to make edits. If you don't agree to receive an edited copy, we may decide the entire document is exempt and refuse access to it in full, even if there is some information that could be released to you.

I agree / I do not agree - to receive access to a copy of a document with exempt or irrelevant

information removed in accordance with the *FOI Act*.

7. Form of access

Please tell us how you would like to receive a copy of the document(s) we decide to release to you. This might be inspecting the document(s), a hardcopy sent by post, a copy sent by email, the document(s) copied onto a CD or USB to be picked up or sent by post. We will try to accommodate your request but may have to provide access in another way.

7. Application fee

The application fee for making a request for access under section 17 of the FOI Act is \$31.80.

You can pay the application fee by bank transfer. Upon submission, payment details will be provided.

Alternatively, if paying the application fee would cause you hardship, you may request that we waive the application fee in full or in part.

If you request a waiver, please provide evidence to show why paying the fee would cause you hardship, such as a concession or healthcare card, bank statement, or statutory declaration outlining why payment would cause hardship. We will assess your fee waiver request and let you know the outcome.

8. Submitting your request

You can send your request by email or post. If you are unable to send your request via these methods, please contact us to discuss other options.
