course planner The units in your planner are colour

How to use your

coded to assist you with mapping out your studies. Refer to the boxes below for an overview of your course requirements.

Course Information

Course 650 Credit Points

Law Core units 250 Credit points

A set of compulsory units you **MUST** complete as part of your Course.

Engineering Core units 125 Credit points

A set of compulsory units you **MUST** complete as part of your Course.

Engineering Major units

A structured set of 16 units in a field of study specific to your course.

Law elective units 50 Credit points

A set of compulsory LAW elective units.

Work Integrated Learning

A Professional Placement is a Work Integrated Learning (WIL) option. You can apply for a Professional Placement during your second year. More information on Professional Placement and other WIL options at **Work Integrated Learning**

How can I find which units I can enrol in as part of my major or LAW elective options? Visit **Bachelor of Laws/Bachelor**

of Engineering (Honours) for major options. Where can I find out more about

individual unit information? Visit the **Single Unit Search** page to search for additional unit content.

What's a full-time study load? 100 credit points (8 units per year)

What's a part-time study load? 50 credit points (4 units per year)

How can I plan my timetable?

Check the **University Timetable Planner** before enrolling into units.

What is Priestley 11? This term refers to the law subject areas students must study to be

eligible for admission into practice

as a legal practitioner in Australia. It includes subject areas like Constitutional Law, Contract Law, and Civil Procedure. These units have been indicated with an asterisk (*). **Professional Experience in Law Units**

Students are required to undertake 3 units of 20 days during their degree

in order to graduate. This may be in a single block, or spread out over an extended period. There is no time limit for completion.
