

22510VIC Course in Identifying and Responding to Family Violence Risk

2021 Deliveries

This is NOT a self-paced course. The Course in Identifying and Responding to Family Violence Risk is delivered online with a combination of facilitated online tutorials, workshops, activities and self-paced learning. Students must also be able to attend an on-campus role-play assessment. Students are required to have access to a computer with a reliable internet connection and sufficient data allowance and connection speed to facilitate online learning.
